VIRTUAL ASSISTANT · PRICING

Every missed call is a missed table.

An AI assistant answers your restaurant's phone 24/7 in a warm, natural voice. She books tables, takes pickup orders and answers menu questions, even during the Friday rush.

(434) 838-3287 Call our demo assistant, Adelaide, any time and hear her answer. Your restaurant picks its own assistant's name and voice.

PLANS · MONTH TO MONTH, NO CONTRACT

Monthly

$497/month

- 1,000 minutes included
- Then $0.35 a minute
- Most restaurants

Pay as you go

$149/month

- Plus $0.40 a minute
- No minute limit

Pay as you go with a cap

$149/month

- Plus $0.45 a minute
- Never more than $649 a month

Every plan has a one-time **$499 setup fee**. Your monthly plan starts on the day your assistant goes live.

WHAT SHE HANDLES

✓ Reservations

✓ Pickup orders, read back with the total

✓ Menu, allergy and hours questions

✓ Hand-off to staff when needed

✓ A text summary after every call

✓ Bookings and orders on a dashboard

LIVE IN ABOUT A WEEK

1

We set her up
With your menu, hours and rules, and tune her voice.

2

Forward your line
Every call, or only the calls staff miss. You keep your number.

3

Get a text after every call
And see every booking and order on your dashboard.
