PACKAGES · 2026

Start small. Grow when you're ready.

Every package builds on the one before it, and what you've paid counts toward the next step. Begin with what you need today; add a dashboard or an app when your organization does.

LAUNCH OFFER Launch prices on packages 2, 3 and 4: about half off for a limited time.

1 Starter Website

$500

For getting online fast: a new business, ministry or side project.

- 1–3 pages from a CTSD starter design
- Your logo, colors, photos and words
- Contact form and click-to-call
- Works on phones; basic Google setup
- 1 round of changes

Live in about 7 days — **+ Starter Care $29/mo**

MOST POPULAR

2 Business Website

$1,750 ~~$3,500~~

For organizations that want a site built around them.

- 5–12 custom-designed pages
- An editing backend your staff can use
- Forms, events or menus, and a blog
- SEO setup and Google Business Profile
- 2 rounds of changes

3–5 weeks — **+ care from $99/mo**

3 Website + Dashboard

$4,000 ~~$8,000~~

For running the work, not just showing it: a site plus your own CRM.

- Everything in Business Website
- Admin dashboard: contacts, leads, bookings
- Member or client login area
- Payments, giving or invoices connected
- Email notifications and simple reports

6–10 weeks — **+ care from $249/mo**

4 Complete: Website + Dashboard + App

from **$9,500** ~~$18,000~~

For organizations that live on their customers' and members' phones.

- Everything in Website + Dashboard
- iPhone and Android app, your brand
- Push notifications, logins, giving or booking
- App store submission handled for you
- One dashboard runs the site and the app

2–4 months — **+ care from $499/mo**

Need just one piece? A stand-alone dashboard or CRM starts at $3,000, a stand-alone app at $7,500, and connecting tools you already use at $1,500.

Your payments count
Upgrade within 6 months and everything you paid comes off the next package.

Free homepage mockup
See your new homepage before you commit. No cost, no obligation.

Quoted in writing
Fixed price and scope after a free discovery call. No surprises.

Technology built around your organization.

For Complete packages

100% **Start with a $500 Starter Website and upgrade later at no loss.** If you move up to a Business Website within 6 months, the $500 you paid comes off the price, so you only pay the difference. The same goes for every step up the ladder.

Restaurant? Add the Virtual Assistant: an AI that answers your phone 24/7, books tables and takes pickup orders. From $149/month plus a $499 setup. **(434) 838-3287**

Starter Website
50% to begin, 50% when your site goes live.

All other packages
40% deposit, 30% at design approval, 30% at launch.

Churches and nonprofits
10% off full-price packages for registered organizations.

Every project is quoted in writing.
Prices are starting points; your fixed quote follows a free discovery call.
